

6-11-17 PLACE-HOLDER DOCUMENT

When Godwin and I have finalized what will be accessed from BetterWorld-Resources.com, people will land on the document which will then be found on this page.

I WILL REPLACE THIS PDF WITH THE ENTIRE DOCUMENT, GIVING IT THE SAME NAME =

[BetterWorld-Resources.com hyperlink for CC-CC.pdf](#)

It will be a PDF which will be what is presented in Hawaii in July (probably 7-8 pages, with spelled-out URL's),

((NOT GOING THIS DIRECTION NOW -- 6-16-17 or it will be an "at a glance" version which will require people to contact me.))
