### ***Think and Share Invitations***

- \* Think and share about a time when you met someone new, and expected them to like you -- and you expected to like them, too. How did you feel when that happened?
- \* How might we feel and act differently if we do not expect to like someone new, or do not expect them to like us?
- \* When you meet new people, what are some things you would like them to know about you?

#### ***SUGGESTION:***

*When singing with a group, sing to a partner, then switch partners as many times as desired.*

**(1)**

I'm sure that when you get to know me,  
you will really, really like me.  
Yes, when you get to know me  
I just know you're gonna like me.

**(2)**

I'm sure that when I get to know you,  
I will really, really like you.  
Yes, when I get to know you,  
I just know I'm gonna like you.

On the recording, the entire song is sung 3 times;
